FLAMINGO ESTATE JASMINE & ROSE BATH SET \$148 FOR THE SET

Jasmine is one of my favorite fragrances, and this Set is a love letter to a shower filled with it — now wrapped in a beautifully embossed Gift Box. It all started because the bath at Flamingo has a large window that opens to the Garden. We designed it this way so I could smell the Jasmine growing outside while taking a shower, even in Winter. We combined this intoxicating Jasmine with the pure oils of hand-picked Damask Rose, Ionian Bergamot, and a pop of Pink Peppercorns. The scent lingers in the air with the Candle, and all over my skin throughout the day with the lather of the Bar Brick and the bubbles of the Hand Soap.

Set Includes:

- Jasmine and Damask Rose Candle
- Night Blooming Jasmine & Damask Rose Soap Brick
- Night Blooming Jasmine & Damask Rose Hand Soap

FLAMINGO ESTATE THREE SISTERS CANDLES SET \$140 FOR THE SET

These candles were the first three things Flamingo Estate ever made and have become what they are most famous for. The Estate is a sea of Rosemary, Sage, and Tomato plants. As you walk around the property, these three scents tingle your nose and push you along the pathways. So, it is only natural to start with these candles. Each one is carefully made by hand and poured into a beautiful glass votive. And when you light it up, the fragrance throws far and wide, representing the heroes of the garden and orchard
